No. of Students 200

Date:

Objectives:

1. Advocating gender equality
2. Breaking of traditional taboos on gender roles.

Report: Women Empowerment Cell, has organized a workshop on Gender Parity. The workshop was organized to sensitize students and faculty on gender parity. MS. Anita Abraham in her opening remarks briefed the gathering on the objectives of the programmes. This was followed by a talk on Gender parity by the resource person Ms Ipsitha. Ms. Ipsitha addressed the gathering and stated that gender is one of the much-prioritized issues across the world. She spoke on the need for gender parity and how to make it possible. In the second half of the session students from Tata Institute of Business School advocated gender parity through skits and various activities. In the end an open discussion was held for students. Students shared how they have been victims of gender discrimination and also vowed to work against gender discrimination.

Outcome:

- Students learn to get away with the traditional taboos on gender roles
- Both boys and girls realise that equality is the foundation from which all can lead healthy, happy and fulfilling lives.
